ORGANIZATION

Baskets

Storage solutions for personal care products

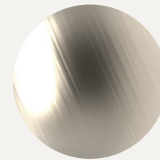

Promessa™ Series Baskets

TileWare Baskets were designed to fit a broad style palette working with any tile motif and pattern. With our basket options, you'll be able to organize soaps, scrubbers and containers from 1oz to 32oz—even professional salon containers! Arrange in the corner, on a side wall or even above or below your shower control lever. Carefully plan your personality; select baskets that will finally organize all your hair, body and health care products, improving your bathing experience.

ORGANIZATION

Claddy-T™ Shelf

Storage solutions for personal care products

(Tile-over Tray)

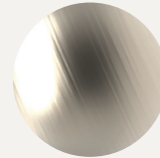

Structural Surfaces™ Series

The Claddy-T™ Shelf is a structural support surface designed to allow any thin, soft, fragile or mosaic tile to be installed horizontally creating strength and stability. This tray is pre-sloped to ensure that water will never stand. Additionally, the decorative rim and underside is finished, allowing design connections to be made with other metals in the shower (such as plumbing trim). Carefully plan your personality; select shelving organization that provides extensive tile material options, improving your bathing experience.

ACCESSIBILITY

Grab Bars

Assist Grab Bars for inside & outside the shower

Victoria™ Series ADA Grab Bars

Minimalistic styling with extraordinary strength defines our ADA Grab Bars. Whether you're planning for the future or have immediate assistance needs, our grab bars will function without looking industrial or clinical. Additionally, because of the strength of our installation system, we have capacity to "combine" values, offering grab bars and towel bars in a single utility. If your personal cleansing agenda includes organizing washcloths, shower mats, bath mats or rugs, now you can combine these bathing functions with grab bar utility. Carefully plan your personality; select the grab bars (and accompanying caps) that offer both assistance and/or organization utility, improving your bathing experience.

Will not rust • Cleans easily • Hygienic
